

# KU's Mathematics Department condoles demise of Prof Aziz-ul-Azeem

**Srinagar, June 29:** Kashmir University's Department of Mathematics on Tuesday organised a condolence meeting to mourn the demise of eminent mathematician Prof Abdul Aziz-ul-Azeem, who passed away on June 26.

Prof Aziz worked as KU's Dean of Academic Affairs and Head Department of Mathematics during his active service in the varsity.

The teaching faculty, non-teaching staff, scholars of the department and faculty members from Department of Statistics and other departments were also present in the condolence meeting, where vast academic contributions of Prof Aziz and his dedication towards teaching and research were highlighted.

The participants expressed profound grief and sorrow over Prof Aziz's demise and expressed their heartfelt sympathies with the bereaved family in this hour of grief and sorrow.

'Fateha' prayers were offered for the departed soul.
