

Workshop/Seminar ‘Women Leadership- Ensuring Generation Equality’ held at KU

Srinagar, March 09: The Centre for Women’s Studies and Research, University of Kashmir, in collaboration with ELFA International, USA conducted a One Day Workshop cum Seminar on “Women Leadership-Ensuring Generation Equality” on Monday at KU as part of a series of events scheduled for the celebration of Women’s Day.

The chief Resource Person for the event was Mr. Mehraan Khan, Chief Executive Officer, ELFA International, USA.

Dr. Tabasum Firdous, Coordinator of the Centre formally inaugurated the session by highlighting the significance of the diversity and dynamics experienced by women across regions and the role played by the centre as an outreach programme to empower women across all realms.

Dr. Roshan Ara, Senior Faculty member at the Centre, also briefed about the evolution of Women’s Studies as a landmark development in the field of women emancipation.

The event was attended by other faculty members and the students of the Centre. Some of the students also shared their first hand experiences, and performed various activities reflecting the rich diversity of tradition and culture.
