

DSW KU holds interactive session with class representatives

Srinagar, Nov 20: Department of Students Welfare (DSW), University of Kashmir (KU) organized an interactive session of all class representatives with the Dean Students Welfare KU Prof. Raies A Qadri here on Tuesday.

The interactive session was held to promote the active participation of class representatives in day- to- day affairs of the University and take cognizance of their problems and grievances.

During the interaction class representatives from different teaching departments of the university discussed issues and problems confronted by them for which they sought the intervention of the higher authorities.

While encouraging the students to come forward and make more use of such forums to seek redressal of their grievances DSW KU Prof. Raies Qadri informed the students that these interactions are desired by the Vice Chancellor of the University to get necessary feedback from the students so as to make their stay comfortable during their period of learning in the campus.

Responding to the issues raised by the students Prof. Raies Qadri assured them that all their grievances shall be forwarded to the authorities for permanent settlement.
