

Director Distance Education, KU Prof Tariq Chishti holds meet with faculty, Lays stress on timely completion of courses

Srinagar, Dec 03: Prof. Tariq Ahmad Chishti who was recently appointed as new Director for the Directorate of Distance Education (DDE), University of Kashmir (KU) has laid stress on timely completion of courses and conduct of examinations.

While chairing a meeting with the faculty members at the Directorate to take first hand appraisal of the various issues pertaining to the Directorate Prof Chishti impressed upon the faculty members to ensure timely completion of courses so that the precious time of students is not wasted.

While designating Coordinators for various degree and diploma courses & examinations offered by the Directorate Prof Chishti said that the contact classes for these courses would start in the next month and the process of preparing the RR particulars of students would be expedited.

Prof Chishti has obtained his Ph.D in Mathematics from A.M. U. Aligarh and is well experienced in Open & Distance Learning System. He has contributed numerous research papers in national & international journals of repute besides authored two books on “*Analytical Solid Geometry*” and “*Complex Trigonometry & Theory of Equations*”.
