

## **KU data unmodified; further analysis going on: Spokesperson**

**Srinagar, Aug 10:** The alleged breach is being analyzed and as per the preliminary analysis it has been found that the data is unmodified, a Kashmir University spokesperson said in a statement.

"Any breach on data read (which is already accessible in public domain) is being analyzed in-depth and depending upon the analysis, University will take further course of action and take an appropriate legal recourse accordingly," the spokesperson said.
