

KU's CCPC conducts recruitment drive for pharmacists

Srinagar, August 16: The University of Kashmir's Centre for Career Planning and Counselling (CCPC) in collaboration with the Department of Pharmaceutical Sciences organised a recruitment drive for pharmacists through HLL Lifecare Limited, a central public sector enterprise under the Ministry of Health and Family Welfare that has set up a chain of Amrit Pharmacy stores at various government medical colleges (GMCs) and district hospitals of Jammu and Kashmir.

Interviews were conducted here at CCPC by the company officials. A total of 106 candidates appeared in the interviews for the posts of Assistant Pharmacists and Pharmacists, out of which 30 candidates are likely to be selected by the company soon after completion of the evaluation process.

Selection process included a pre-placement talk, a written test, group discussion and personal interviews.

Director, CCPC, Prof. Geer Mohammad Ishaq said over the past two years more than one thousand (1,000) vacancies have been made available for the students for placement in various companies through CCPC.

"Another campus recruitment for a leading telecom tower management company, Indus Towers, is underway at present for our electrical engineering students", he said adding, CCPC will continue such placement drives with in future as well.
